

# GA Performance Standards:

- **SS3E1 The student will describe the four types of productive resources:**
  - a. Natural (land)
  - b. Human (labor)
  - c. Capital (capital goods)
  - d. Entrepreneurship (used to create goods and services)

# Productive Resources

- As you look at the pictures of our **natural resources** and the **capital resources** (or products) made from these natural resources, think about the jobs (**human resources**) needed by these businesses (**entrepreneurships**).
